The image shows the 'Record of Learning : All Courses' page. On the left, there is a sidebar menu with categories like 'Required Learning', 'Certifications', 'Record of Learning', and 'Other Evidence'. The main content area has a sub-header 'Record of Learning : All Courses' and two tabs: 'Courses' (selected) and 'Certifications'. Below the tabs, it says '10 records shown' and provides a search filter for 'Course Title' with a dropdown menu set to 'contains' and an empty search input field. There are 'Search' and 'Clear' buttons. Below the search area is a table with columns: 'Type', 'Course ID Number', 'Course Title', 'Progress', 'Course completion date', and 'Previous Completions'.
