

Once you log into the Netball Australia Website: <https://learning.netball.com.au/login/index.php> , scroll down to the 4 pictures and select the one with an umpire in the picture, click on Umpire Courses

Netball Australia, together with the Netball State and Territory Member Organisations deliver a variety of education, training and mentor opportunities for all netball workforce members.

Our Netball Workforce are our most powerful asset in creating amazing netball experiences for players in Australia. Our goal is to provide world-class learning to support the goals of all of our volunteers and workforce members.

The image shows four course cards arranged in a row. Each card has a header image, a title, a short description, and a button. The 'Technical Officials' card has a black circle around its title. The 'All Courses' card has a button labeled 'All Courses'. The 'Coaching Courses' card has a button labeled 'Coaching Courses'. The 'Technical Officials' card has a button labeled 'Umpire Courses'. The 'Accreditations' card has a button labeled 'View Accreditations'.

Type in “rules of Netball” into the search bar. And click on the first thumbnail

The thumbnail has an orange header with the text 'Rules of Netball Exam'. Below the header, the text 'Rules of Netball Exam' is repeated, followed by 'Courses'.

Click Add to Shopping Cart. Click on the shopping trolley in the top right corner and check out. You should then receive an email with a link or instructions to the online course.

The screenshot shows the course page for 'Rules of Netball Exam'. At the top, there is a notification: 'You need to purchase this course'. Below this, the course title 'Rules of Netball Exam' is displayed. The page contains several sections: 'About the Rules of Netball Exam', 'Duration and Cost', 'Enrolment Details', and 'Refund Policy'. At the bottom, the price '\$12.00' is shown, and there are two buttons: 'Add to shopping cart' (circled in black) and 'Back to Program'.
